

LIST OF COMPUTER REUSE AND RECYCLING OPTIONS IN COLORADO

DRAFT AS OF April 2005

Note: This list has been compiled by the U.S. Environmental Protection Agency Region 8, CO Governor's Office of Energy Management and Conservation, and the CO Dept. of Public Health and the Environment (CDPHE). **THIS LIST DOES NOT IMPLY APPROVAL OR ENDORSEMENT OF THESE BUSINESSES AND ORGANIZATIONS.** This list is simply a tool to help businesses and consumers identify opportunities for donating and recycling computer equipment. This is not a complete listing of reuse and recycling opportunities in the State of Colorado. **If you have questions regarding the proper management and disposal of electronic equipment and computers, please visit the electronics recycling web page at <http://www.cdphe.state.co.us/hm/electronics/electronics>.**

NAME/NUMBER/WEBSITE	TYPE OF EQUIPMENT ACCEPTED	WHAT THEY DO WITH IT	IS THERE A FEE?	PICK UP? DROP OFF? SERVICE AREA?	QUANTITY RESTRICTIONS

Manufacturer Take-Back Programs

Dell: facilitates donations to the non-profit National Cristina Association and has an online auction site for used Dell computers. See <http://www.dellexchange.com>.

Hewlett-Packard/Compaq: has both a trade-in program and a recycling program which allow consumers to return any manufacturer's equipment for a fee - depending on type and quantity. See <http://www.hp.com/hpinfo/globalcitizenship/environment/recycle/index.html> for recycling information and <http://www.hp.com/hpinfo/globalcitizenship/environment/return/index.html> for trade-in information.

IBM: consumers can recycle any brand of computer through IBM's mail-back service for a fee. See http://www.ibm.com/ibm/environment/products/ptb_us.shtml.

TigerDirect: offers a way to "trade-in" any older computers, notebooks, lcd monitors, digital cameras, & mobile phones and get a Tiger Gift Certificate in exchange. See <http://www.tigerdirect.com/sectors/recycle/index.asp>.

For more information, visit <http://www.electronicsrecycling.org>.
